In re Application of

Application No. 10/023,958  
Filed: December 17, 2001  
Attorney Docket No. RN1-001-6P

**DECISION ON PETITION  
TO WITHDRAW  
FROM RECORD**

This is a decision on the Request to Withdraw as attorney or agent under 37 C.F.R. § 1.36(b) or 37 C.F.R. § 10.40 filed August 1, 2006.

The request is **NOT APPROVED**.

A review of the file record indicates that David Ashby and the attorneys/agents associated with Customer Number 32,986 do not have power of attorney in this patent application nor is there any statement or evidence of record of employment in or otherwise being engaged in the proceedings in this patent application. Accordingly, the request to withdraw under 37 C.F.R. § 1.36(b) is not applicable.

It is further noted that Office records fail to disclose that an assignment was ever recorded to Raza Microelectronics, Inc. Accordingly, if Raza desires to prosecute this application, the proper documents under 37 CFR 3.73(b) must be submitted. Further, if Raza, as the assignee of record, desires to be represented by counsel registered to practice before the USPTO, the appropriate power of attorney documents must be submitted and compliance with 37 CFR 3.73(b) satisfied.

All future communications from the Office will continue to be directed to the above-listed address until otherwise properly notified by the applicant.

Telephone inquiries concerning this decision should be directed to the undersigned at 571-272-3218.
